#### DIVISIONS / AFFILIATES

Joe has decades of experience as a facility services professional providing service and management for technology companies, commercial property owners, City municipal buildings, and Federal government real property in the Bay Area. Joe oversees and manages our facility service contracts, mobile route and 24/7/365 on-call services and vendor supply chain. As our Facilities Superintendent, Joe also oversees all field technicians, including all workflow coordination between client, tenant, and service providers. Joe is a stickler about project efficacy and is knowledgeable in all field safety protocols and OSHA requirements. Joe prides himself on a 100% customer satisfaction ratings and feedback.
