

Ty Venzon

Scheduling Coordinator

Years of Experience

Ty has been with the TEAMWRKX team since 2014 during his college years. He works throughout the company, but mainly operates as a Project Administrator and as our Document Control Manager. As a Scheduling Coordinator, Ty makes and updates the schedules for our projects and performs the scope of a Project Engineer. Ty has expertise in managing large amounts of documentation and he oversees our company software ensuring that all teammates and clients have the tools they need to succeed.
